On behalf of our corporation and our partners in trade, we request to be the lawful American authorized agent and distributor for Star Choice in the U.S.A..

Please assist us with all the support and cooperation available under the terms of the Free Trade Agreements between Canada and the United States of America.

If any difficulties exist in establishing our corporation as the sole American authorized agent and distributor for Star Choice, please advise and summarize these challenges in writing for us and fax your response to us at (519) 773-8900.

We would appreciate your approval of this request as soon as possible, to allow for our American sales effort and resultant income for both our organizations to be realized.

We thank you for your immediate attention and look forward to a long and mutually profitable relationship serving the programming requirements of Americans for the services offered by your company.

Respectfully,  
Robert G. Monteith
